This is to protect VET students in the event that Forme Education ceases to provide a VET course of study in which a VET student is enrolled. The meaning of 'ceasing to provide a VET course of study' is set out in the VET Guidelines. A copy of this is available from:

<http://www.comlaw.gov.au/Series/F2012L02569>

In the event that Name of Entity ceases to provide a VET course of study in which a VET student is enrolled the VET student is entitled to a choice of:

OR

b) a refund of their up-front VET tuition fee payments and/or a re-crediting of any FEE-HELP balance for any VET unit of study that the VET student was enrolled or commences but does not complete because Forme Education – Productivity, Performance, Skills ceases to provide the VET course of study of which the unit forms part (this is known as the "VET Tuition Fee Repayment Option")

Australian Student Tuition Assurance Scheme (ASTAS)

For the purposes of VET FEE-HELP, all courses offered by Forme Education in accordance with the course requirements of clause 45 of Schedule 1A of the Higher Education Support Act 2003 are covered by the Australian Student Tuition Assurance Scheme (ASTAS), ('the Scheme') as part of Forme Education membership of the Scheme.

A VET student may choose between two options:

1. The VET Course Assurance Option:

Under the VET course assurance option, a VET student will be offered a place in a similar VET course of study by ACPET. If the VET student accepts this option, ACPET will make all necessary arrangements to ensure a VET student is able to enrol with the

Second Provider in the similar VET course of study. This offered VET course will lead to the same or a comparable qualification without any requirement on the part of the VET student to pay the Second Provider any VET tuition fee for any replacement VET units

(that is, units that the VET student had commenced but not completed because the VET course ceased to be offered). A VET student will receive full credit from the Second Provider for any VET units of study successfully completed at Forme Education.

The Second Provider nominated by ACPET may have different VET tuition fees to the fees the VET student would have paid for VET units of study which were part of the VET course of study Forme Education ceased to provide but which the VET student had not yet started studying.

A VET student is not obliged to enrol in a VET course of study with a Second Provider offered by ACPET under the VET Course Assurance Option. However, if he/she enrolls with any other VET provider there is no obligation on that VET provider to offer full credit transfer for the VET units of study completed with the Forme Education or to offer replacement VET unit/s free of charge.

The VET Tuition Fee Payment Option

Under the VET Tuition Fee Repayment Option, ACPET undertakes to pay the VET student the total of any up-front VET payments already paid by the VET student for any VET units of study the VET student has commenced but not completed because the VET course ceased to be offered. VET students selecting this option will also have their FEE-HELP balance re-credited for the uncompleted VET units.

The VET Tuition Fee Payment Option

The method this Statement of VET Tuition Assurance will be

made public to VET students will be on Forme Education website (www.forme.edu.au). Forme Education will also advise VET students about where the Statement of VET Tuition Assurance may be obtained from as part of their enrolment information.
